

The Federal Communications Commission

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund.

I am concerned that the cost of prepaid phone cards will increase. As it is now it's the only way I can afford long distance calls. I'm retired and can't afford to fork over ever more taxes to the government.

I urge you to reject the proposal to move the USF collection system to a flat-fee.

Sincerely, William H. Hobbs 1480 Grays Creek Rd.
